

OMENA-TRAVERSE YACHT CLUB

GENERAL INFORMATION

Omena-Traverse Yacht Club (OTYC) has been in existence since 1948. The Club has a unique home in a lovely location. We host social gatherings, sailing races, and youth activities throughout the summer. The season begins Memorial Day and ends Labor Day. Members are kept informed of Club news through two avenues of communication: the email-based Scuttlebutt, which is sent out weekly during the summer, and the published newsletter, The Breeze, sent by mail in December and May.

The seasonal events include potluck dinners, catered dinners and numerous other special events. Potluck dinners are held weekly on Wednesday evenings in the summer. An entertainment program often follows. A small charge per person is collected during the dinner. The club also hosts catered dinners, typically held several Monday evenings throughout the season. Catered dinners are paid for at the door. Certain events, such as cocktail parties and catered dinners, are “adults only”. Children, however, are welcome and encouraged to attend all other events.

The Club does not serve alcoholic beverages, but may provide ice, mixers and soft drinks for certain events. Members may bring their own alcoholic beverages to consume in moderation while on the premises.

OTYC offers tennis and sailing instruction for its younger members through its Youth Program. Children must be at least 6 years of age to participate in the program. This program typically runs for the 5-week period of early July through the first week of August. Fees for the program are determined on a weekly basis. The club has one tennis court available for which sign up is required. There are four boat slips available for rent, pursuant to the Boat Slip Rental Policy, and a private boat launch ramp available for member use only.

CLASSES OF MEMBERSHIP

1. **Adult Member**

a. **Family**- two adults who are each other’s spouse and any child under age 26 (as of December 31st of any relevant year); or two adults who reside together in a qualified domestic partnership and any child under age 26; or an adult with any children under age 26
